Besides the stools shown on this page, the **DB52** (page 16) and **YS73** (page 31) contain the same CLS control and understructure (cylinder, HD Spider base, 65mm dual-color soft casters).

Chairs that are equipped with the Grande Spider Package - such as the CLS models shown above - may be upgraded to an IU-stool package instead. The charge to do so (from a Grande Spider Package) is **\$55.56** and the part code to do so is **TLPKG**.

Please refer to Options (page 45) for details.

**DESIGN STATEMENT** The design of the CLS Series is based upon a wish list of features that come from various Facility Managers that we've talked to over the years. It has a sturdy base and a comfortable, trouble-free footring, an easy-to-use ratchet back, sliding seat, back angle adjustment and oversized casters that can go anywhere.

The low-maintenance CLS Series is just what the Facility Manager (and the lab technician) ordered!
