Maxwell available for users up to **400** pounds.

Arms shall only be installed by Office Master or its authorized dealers.

DESIGN STATEMENT Called the "Maxwell" for its MAX-size and WELL-structured construction, these chairs are big in so many aspects. Made of heavy-duty components from top to bottom, these full-size chairs with wide-back comfort and solid design are ideal for users up to 400 pounds.

The Maxwell is built to endure, and now redesigned with a tapered top and wide-based back rest to offer the same full support but with a less daunting appearance.
